**IN BREVE** Tante attività di preparazione per il prossimo importante impegno fieristico ad Hannover nel periodo 19-21 marzo. Tante soluzioni innovative per il comparto della calandratura e della mescolazione della gomma con la presentazione dei nostri nuovi dispositivi brevettati **TWINFLEX®** e **FASTEEL®** a supporto di una sempre maggiore effettiva efficienza produttiva e di processo. Nuove soluzioni anche per il comparto materie plastiche e non-tessuti con la messa a punto di un nuovo dispositivo recentemente sviluppato nei laboratori aziendali. Avviato il piano 360° di formazione interno team coaching.

**COMERCO ERCOLE INNOVATIVE STEEL WIRE THREADING CONCEPT** STEELPRESSURING mean the pressure roll device to apply steel cords in therubber sheet granting a proper and accurate penetration between steel cords and rubber sheet in “pressure” production mode or alternatively, according proper technological know how, assure a very accurate distance between pressure roll and calender roll in “position”production mode. The device prevent steel cord jumping during the displacement of pressure device from threading to production phase. **TWINFLEX** innovation is based on 1+1 guide and 1+1 pressure rolls already installed on the revolver device, while one set is in production the second can be changed for a fast threading.

*What was never considered possible is now possible!*

## COMERCO ERCOLE TIRE TECHNOLOGY

COMERCO ERCOLE is gearing up for TIRE TECHNOLOGY exhibition that will be held in Hannover (Germany) on next March 19-21. We will showcase our revolutionary product **FASTEEL**, highlighting its innovative features and benefits. This system is designed to drastically reduce setup time and enable operators to manually insert steel cords into the grooves of guiding and pressure rolls while the calender line continues running. Our company is excited to engage with industry professionals, share insights and demonstrate how **FASTEEL** is set to redefine standards in the market. Stay tuned for an exclusive preview of what makes us a standout presence at the exhibition. You are welcome!
