INFO NEWS

Volume 2023 - Ed.06

IN BREVE in questo mese di giugno tantissime attività su più fronti, tra cui in particolare l'avvio della Fiera internazionale ITMA che vede tutto il nostro team legato al mondo dei non tessuti a Milano. In aggiunta è avanzato presso nostra officina il montaggio di una "super" calandra 4 cilindri per materie plastiche... seguono info

ITMA 2023 – MILANO INTERNATIONAL EXPO On June 8 begins the international EXPO for textile and nonwoven at Milano Fiera. Our team, with our partners, will be on site with several innovative production and technological integrated solutions for all our worldwide customers.

Our sister companies BETA MACHINERY and ATF SRL will be with us at our booth H10-B304 to support all requirements concerning super padders (squeezing, dyeing and impregnation) up to 7 meters and ancillary units for unwinding, shaftless winders and logistic solutions (packaging machines, palletisers and robotized system integrators). We are waiting for your visit! COMERIO ERCOLE GROUP is focalized to be the calender specialist for technical products integrating, with our reliable partners, any other technology to satisfy our customers granting a 360° support for all their needs.

What was never considered possible is now possible!

COMERIO ERCOLE "SUPER" PLASTIC SHEET GEO CALENDERLINE At COMERIO ERCOLE, great works in progress for another complete impressive plastic film calenderline including a "super" 4 roll calender 2500 mm and a special post calendering unit based on technical specifications "tailor made" according end user technological needs. The calenderline include a "prewarming" section composed of a COMERIO ERCOLE 300 mm strainer and a 2140 mm two roll open mixing mill having special configuration for plastic process. In addition, COMERIO ERCOLE has recently introduced a new Digital Platform named HERCULES40® which is ai med to supply to COMERIO ERCOLE customers a data-driven analysis tool for a continuous improvement of production process, including energy consumption optimization, as well as added value after sales services. For any further information please do not hesitate to contact us and pay a visit!
