## Operativi tutto l'anno

La COMERIO ERCOLE non si ferma mai

L'attività della COMERIO ERCOLE è garantita tutto l'anno senza sosta, assicurando sempre la qualità e la professionalità che ci contraddistinguono. Sono molteplici le attività programmate nel mese di Agosto, i nostri tecnici specializzati stanno svolgendo e svolgeranno svariati interventi di manutenzione e assistenza tecnica presso numerosi clienti in tutto il mondo.

Durante il mese di Agosto parteciperemo alla fiera KOPLAS 2021, una delle più importanti fiere per quanto riguarda i mercati asiatici della lavorazione della plastica e della gomma.

L'evento avrà luogo dal 25 al 28 Agosto nella città di Kintex in Korea e saremo presenti allo stand n° P321.

## Fully operative all year long and all over the world

COMERIO ERCOLE never stops.

COMERIO ERCOLE guarantees the fully operation all over the year, always guaranteeing the top quality and top performances. There are many activities scheduled in August, our specialized technicians are carrying out and will carry out a lot of maintenance and technical assistance interventions for numerous customers all over the world like Thailand, China and America. During the month of August we will participate in the KOPLAS 2021 fair, one of the most important fairs for the Asian markets for plastic and rubber processing. The event will take place from 25 to 28 August in the city of Kintex in Korea and we will be present at stand n° P321.

The presence at the fair is an excellent opportunity to show our innovative products and our complete services to the Korean market in which we have already had strong commercial ties for some time.

Guaranteeing a quality and complete service to our customers has always been our main goal and we are proud to be able to offer it all year round thanks to our dedication and perseverance that we put into everyday work.

*What was never considered possible is now possible!*

## KOPLAS 2021 Korea international plastics & rubber show.

During August, from Wednesday 25th to Saturday 28th, The Korea international plastics & rubber show ( KOPLAS 2021) will take place in Kintex.

The unfolding of the fair in attendance after two postponements is a strong sign of recovery that makes us optimistic at the thought of a return to total normality. COMERIO ERCOLE synonymous of quality and technology since 1885, OEM leader in the field of rubber and plastic production plants, will be present at stand P321 presenting a wide range of dedicated products such as CONVBELTS, DUPLEX, STEELCORD, INNERLINER and many others patented solutions. There will be also a videowall showing promotional videos of CE products and production methods giving an explanation of their operation and schematically presenting powerful reality of COMERIO ERCOLE.
