

Il nuovo 2023

Ultime frenetiche attività del 2022

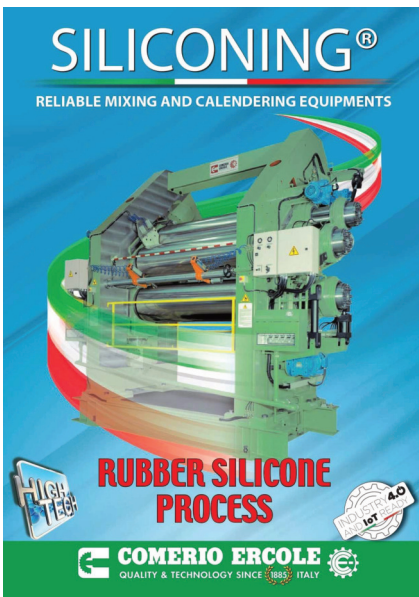

Il 2022 giunge al termine, le attività della COMERIO ERCOLE non si fermano. Uno dei punti di forza della COMERIO ERCOLE è la garanzia di un servizio clienti completo ed operativo in tutto il mondo per tutta la durata dell'anno. I nostri tecnici specializzati, nonostante la pandemia non si sono mai fermati e in questo 2022 hanno portato a termine numerose attività tecniche in tutto il mondo, attività che continuano numerose anche durante le festività natalizie. Il feedback delle principali fiere di settore in cui COMERIO ERCOLE ha partecipato permette di guardare con ragionevole ottimismo al 2023 e agli obiettivi prefissati per il nuovo anno. Grazie a tutto il team COMERIO ERCOLE che con passione e determinazione contribuisce di giorno in giorno a farci apprezzare in tutto il mondo.

The new year 2023 is coming

Several production activities during these last days of 2022

2022 comes to an end, the activities of COMERIO ERCOLE never stop. One of the strengths of COMERIO ERCOLE is the guarantee of a complete and operational customer service all over the world throughout all the year. Our specialized technicians, despite Covid pandemic, have never stopped their activities and during 2022 they have completed several technical services all over the world, activities that continue numerous even during Christmas holidays. COMERIO ERCOLE guarantees a continuous assistance to all Customers also thanks to the remote connection TELESERVICE®. TELESERVICE is a great support that offers to customers assistance during the main phases of the contract: the start-up and commissioning phase to facilitate the data exchange between the personnel on site with the main office, during the whole contractual guarantee period to facilitate the diagnosis of the eventual problems occurred and speed up the solution of the same. This kind of remote assistance service become more and more basilar for the future management of all industrial activities and COMERIO ERCOLE is strongly investing in such kind of technology. The feedback from the main exhibitions in which COMERIO ERCOLE participated allows us to look with reasonable optimism to 2023 and to the targets for the new incoming year. Thanks to all COMERIO ERCOLE who with passion and determination contributed to the positive conclusion of this 2022 increasing our brand identity. Best wishes for an happy and successful New Year full of opportunities, peace and success.
