**IN BREVE** in questo mese di agosto ancora tante attività, non ci fermiamo mai. Così non si ferma mai la nostra super PAOLA che ha vinto la Categoria M4 della 13° edizione del prestigioso ARONAMEN TRIATHLON 2023. Non ferma neanche la nostra PATRIZIA che ha festeggiato i 50° anni di lavoro in Comerio Ercole!

**AUGUST HOLIDAYS PERIOD?** No way ... during august Comerio Ercole activities remain running in full force except some limitations in the central two weeks. Several calendaring and mixing plant are running in last assembly and wiring on board phase to be delivered starting next September. Logistic department is devoting to solve usual summer period transport difficulties as well as during this august the customer service maintenance team is in full activity all around the world supporting our customers network.

What was never considered possible is now possible!

**COMERIO ERCOLE TEAM MEMBERS AND ESG SUSTAINABILITY PLAN.** During these days some family company events are possible. In particular our super PAOLA awarded the rank M4 of prestigious 13<sup>th</sup> edition of the "ARONAMEN THIATHLON 2023" 112.9 km in ARONA on the LAKE "Maggiore" with two laps along the coast for a total of 1.9 km, the routes in the fraction of 90 km of cycling and 21 km of running of the lakefront. All Comerio Ercole congratulations to PAOLA remembering that she will be, as usual, at Comerio Ercole technical department office during all this august. Also our super PATRIZIA celebrated 50 years of work in Comerio administrative and financial department. COMERIO ERCOLE sustainability plan is constantly pushing and supporting sport event in order to improve team building and team member accountability. COMERIO ERCOLE's corporate desire is to independently pursue an ESG business model up to the challenge of the times and setting increasingly challenging objectives for the benefit of the whole community. COMERIO ERCOLE draws up the ESG sustainability report on a completely voluntary basis for the awareness of its role with respect to the social, economic and environmental context. Enthusiasm, passion and professionalism that involves employees/collaborators remain our plus-value.
