IN BREVE:

La partecipazione di Comerio Ercole al K2025 di Düsseldorf ha superato ogni aspettativa, confermando il ruolo dell'azienda come leader nell'innovazione tecnologica e nello sviluppo industriale sostenibile.

Lo stand è diventato un punto d'incontro internazionale, accogliendo delegazioni da Europa, Asia e Americhe, con grande interesse per le tecnologie e la visione a lungo termine dell'azienda.

Numerose richieste specifiche e progetti su misura hanno stimolato il reparto R&S, rafforzando l'impegno verso il miglioramento continuo e l'innovazione orientata al cliente. Il 140° anniversario è stato celebrato durante la fiera con una torta speciale offerta dagli organizzatori.

Comerio Ercole è inoltre stata premiata per il quinto anno consecutivo tra le migliori aziende italiane in sostenibilità, classificandosi nella TOP 75 per la Finanza Integrata e nella TOP 100 Sustainability Excellence 2025.

Il riconoscimento, consegnato alla Borsa Italiana, sottolinea l'impegno costante verso la trasparenza, la sostenibilità ambientale e l'innovazione responsabile.

Comerio Ercole's participation at K2025 Düsseldorf exceeded all expectations, confirming once again the company's leading position in technological innovation and sustainable industrial development. Throughout the week, our booth became a true hub of international engagement, welcoming delegations from numerous countries across Europe, Asia and the Americas. Visitors showed not only curiosity but genuine and concrete interest in our technologies, products and long-term vision. A testament to Comerio Ercole's reputation as a trusted global partner in advanced engineering solutions. The quantity and quality of specific requests received from clients and new contacts alike were truly remarkable. Many of these inquiries involved ambitious, tailor-made projects that our R&D team immediately embraced as exciting challenges, opportunities to push our boundaries and further enhance our capabilities. These projects are now under active study, demonstrating our ongoing commitment to continuous improvement and customer-driven innovation!

Beyond business, Saturday, October 11th, was a particularly special day. During the fair, we proudly celebrated our 140th anniversary again, marking over a century of excellence, innovation and dedication to our clients and partners. To our surprise and great delight, the K2025 fair organizers honored Comerio Ercole with a beautifully crafted celebration cake, delivered personally by the K Fair management team. This thoughtful gesture, reserved for companies reaching major anniversaries during the exhibition, added an unforgettable touch of warmth and recognition to an already extraordinary event. K2025 was a success: we return home inspired, proud and motivated to continue innovating for a more sustainable and dynamic industrial future.

1885-2025 140° Anniversary Celebration

For the fifth consecutive year, Comerio Ercole has been recognized among Italy's best-performing companies in sustainability, ranking among the TOP 75 Italian companies for Integrated Finance and the TOP 100 Sustainability Excellence 2025. The Sustainability Award celebrates organizations that turn environmental and social challenges into opportunities for innovation and sustainable growth, fully integrating ESG principles into their business strategies.

This fifth consecutive recognition reaffirms Comerio Ercole's transparent and voluntary commitment to comprehensive sustainability reporting, guided by a long-term vision focused on innovation, people, and environmental respect.

The award ceremony took place recently at Borsa Italiana in Milan, in the presence of institutions, financial leaders, and key partners of the Sustainability Awards 2025, including Kon Group, Elite Euronext Group, Altis Advisory, Università Cattolica, Openes, Eni, BCG, Google Cloud, RepRisk, Azimut Italia and Forbes Italia.

Representing Comerio Ercole were Olga Comerio, Board Member of Comerio 1885 Holding Società Benefit and Riccardo Comerio, CEO of Comerio Ercole.

"We know there is still much to do, but we are committed every day to improving, with a strong focus on environmental sustainability, responsible resource management and innovation for a greener future," said Riccardo Comerio.
